THE DIRECTOR.

MONTREAL MUSEUM OF FINE ARTS.

✓ Dear Sir,

This is to thank you for your kindness in holding an exhibition of my paintings in your gallery and to compliment you on the excellent manner in which the pictures were displayed. Please convey my very best thanks to those responsible for the hanging.

I was interested to learn that you were formerly Director of the National Gallery of Wales, at Cardiff as that is the town in which I grew up and received my first training in Art and Architecture before going to London. I look forward with pleasure to meeting you one day.

Apart from some sales my recent exhibition resulted in numerous contacts which should be helpful to me and for which I am exceedingly grateful.

Again many thanks and the very best of wishes to you.

Yours sincerely, Eric Byrd
