

friends

patrons

it is indeed a pleasure  
to introduce you to this  
talented young artist

allan schwarz

his work is very sensitive  
humorous and thought  
provoking

above all he draws  
beautifully  
his background as an architecture  
student at wits  
demands it

do make an effort  
come and see this show

invitation

gallery 21

invite you to the preview  
of the first exhibition  
of drawings and etchings by

a d schwarz
